

Sandy Geroux is a new millenium speaker, trainer, coach, and award-winning top producer who sold real estate in the 90's and into the year 2000, unlike many other speakers in the training arena. Technology played a large part in her success, and will continue to play a large part in the success of other top producing realtors. Sandy's successful background in administration, technology, and education provides her with a unique ability to teach technology options to Realtors.

Let her help you:

- ◆ Save time
- ◆ Save money
- ◆ Increase business
